sound of seaplanes will "seriously jeopardise" the habitat of Chilika's nearly 1 million avian visitors and affect breeding and navigation of Irrawady dolphins, which have highly sensitive hearing, the report had stated.

The report had also listed legal points against the project. Chilika is governed by provisions under Wetlands Conservation and Management Rules 2017, which prohibit its conversion into non-wetland uses, the report had said.

The BJP had then slammed the BJD for allegedly opposing

the Centre's efforts to boost employment in the area.

On the campaign trail, Patnaik has also attacked the BJP's campaign pitch for a "double engine" in Odisha — BJP governments at the Centre and state to accelerate development.

Patnaik had questioned the BJP's second engine or chief ministerial candidate. He had said that for BJD, women are the second engine of growth in the state, along with men. The main engine will derail after 23," Patnaik said, indicating the party may not get a majority in 2019 Lok Sabha polls.
